

## REMARKS

This application has been carefully reviewed in light of the Office Action dated January 19, 2007. Claims 1 to 10, 20 to 34 and 42 to 65 are in the application, of which all have been allowed. Reconsideration and further examination are respectfully requested.

Applicant thanks the Examiner for his reformulation of the requirement to elect between species, and confirms the constructive election made by the Office Action. Based on the constructive election, Claims 11 to 19 and 35 to 41, which were withdrawn from further consideration, have all been cancelled.

In addition, Claims 66 to 73 have been cancelled, without prejudice or disclaimer of subject matter. These claims are being re-presented in a divisional application, with amendments that change the claims enough that they might be considered to read on a non-elected species.

Finally, amendments have been made to Claims 57 and 63, to correct minor typographic errors.

In view of the foregoing, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

Applicant's undersigned attorney may be reached in our Costa Mesa,  
California office at (714) 540-8700. All correspondence should continue to be directed to  
our below-listed address.

Respectfully submitted,
